BUILDING BOOM.

Putnam is in the midst of a building boom and more construction work is now underway than at any one time for the past five years. The new buildings are for business and manufacturing purposes and for dwellings. Included in the new structures are the factory of the Dean Novelty company, the Wheaton Building and Lumber company's new plant, the Labby building on Pomfret and Canal street, the Peloquin block on Elm street and the string of houses for Ernest M. Arnold in the Grove street section of the city.
